Declaration of Principles

- 1 We believe in Infinite Intelligence.
- 2 We believe that the phenomena of nature, both physical and spiritual, are the expression of Infinite Intelligence.
- 3 We affirm that a correct understanding of such expression and living in accordance therewith constitute true religion.
- 4 We affirm that the existence and personal identity of the individual continue after the change called death.
- 5 We affirm that communication with the so-called dead is a fact, scientifically proven by the phenomena of Spiritualism.
- 6 We believe that the highest morality is contained in the Golden Rule: "Do unto others as you would have them do unto you."
- 7 We affirm the moral responsibility of individuals, and that we make our own happiness or unhappiness as we obey or disobey Nature's physical and spiritual laws.
- 8 We affirm that the doorway to reformation is never closed against any soul here or hereafter.
- 9 We affirm that the Precepts of Prophecy and Healing are Divine attributes proven through Mediumship.
